

Preventing the Misuse and Abuse of Prescription Drugs

Tues. Jan. 24 at 7 PM

Tualatin High School Lecture Hall
22300 SW Boones Ferry Road, Tualatin

Today's meds are incredibly addictive, easily available and dangerous.

Nearly 1 in 5 teens report abusing medications not prescribed to them.

A Presentation for Parents and Teens

In this informative program, students from the OSU School of Pharmacy will discuss the dangers of prescription drug misuse and what parents, teens and community members can do to prevent it. Come join in the discussion! Help build a safe and healthy Tualatin community for our children! Spanish translation available.

Presented by the Generation Rx Initiative of the Oregon State University College of Pharmacy.

Tualatin Together

A caring community working together for Tualatin youth.
